Alphabet BINGO (lowercase)

Directions:

- 1) Separate the BINGO cards by cutting along the dotted lines.
- 2) Cut out the letter cards.

Variations of play:

- 1) If your little ones are just learning their letters, you can pick a card, read it aloud, and show it to the players. This way they learn letter recognition. They can then match the letter on the card with the letter on their board. This will help with initial learning of letters.
- 2) If your children or students know their letters, but need to practice, you can pick a card and say the letter aloud, but not show the card to the players. This helps with memory recall letter recognition.
