EVENT SPONSORSHIP PACKET

Fall in Love with Fresno 2022

ABOUT "FALL IN LOVE WITH FRESNO"

Every Neighborhood Partnership's vision is to see all pillars of influence in Fresno actively engaged, our children excel, our families healthy and whole, and our neighborhoods thrive.

Since 2017, Every Neighborhood Partnership has hosted an annual "Fall in Love with Fresno" event to further this vision.

At this event, churches, families, neighborhoods, community-based organizations (CBOs), schools, businesses, government officials, and the arts and culture sectors are represented. We come together to raise funds and support the work of ENP in elementary schools and neighborhoods throughout Fresno.
