2022 Year End Report

School Support

Literacy Mentoring + Read Fresno

2022 has been a year of growth! Especially with our college student engagement. Thanks to our Californians4All College Corps program and Fresno State's trust in us, we gained about 50 new college student mentors in addition to our existing 30. These 80+ student mentors have been running Read Fresno after school, Literacy Mentoring daytime tutoring, and Saturday Sports at 8 high needs elementary school sites. One of our student mentors, Rolando, wasn't sure if he even liked kids when he started, but is now considering a career in education. We believe that God can use one book, one game, one word of encouragement to impact the trajectory of a child's life.

With this opportunity that you guys gave me, I was able to really develop my interest in tutoring skills.

Rolando mentor

You are definitely helping us get our students to grade at levels faster than the national norm. Thank you!

Principal Handy Brewer at Golden Charter

6 sites hosted Read Fresno After School Programs

ENP's Reads Work-study and College Corps students currently work 1,000+ hours per week!

14 Literacy Mentoring sites
144 kids in Read Fresno
180 volunteers (paid & non-paid) across the three School Support program areas

80+ students were hired through ENP Reads program

Student's word retention grew over 60% from September to December as a direct result of Literacy Mentoring!

Saturday Sports

I've enjoyed this experience and especially in our Saturday with no worries in the world. Thank you for everything and coming into my life and I hope you guys were successful with you all.

Neighborhood Health + Wellness

Neighborhood Health + Wellness had an amazing year with well attended classes such as Nutrition 101, Kids Nutrition, Cultivating Mental Health, Women's Alliance, and Dance Fitness. Not only did we see participation increase, more importantly **trusted relationships were built within each class**. The participants in the classes expressed how they felt supported and empowered to make healthy choices. The results assist community members with depression, weight loss, lowering blood pressure and loneliness. Neighborhood Health + Wellness continues to strive to equip and empower individuals to live a healthy and whole life. We look forward to 2023!

175 Total Classes Offered

Nutrition + Health

Dance Fitness

Cultivating Mental Health

I feel part of a group. This is a great support for mental health, with meeting more positive and happy people and ladies. ENP is an organization that always responds to my needs, helps me and clarifies my concerns. Thank you ENP!

Isabel Lara & Cathy Blanco ENP program participant for 3 years, including Women's Alliance, Dance Fitness, & Health Classes

This class has been very helpful to me, there is a lot of information and we can talk without being judged. The caregivers always support and motivate each other, my relationship with the people around me, my children, husband, friends, neighbors, etc.

Fabiola Felix ENP program participant for 6 years, including 2 years as part of Women's Alliance, Dance Fitness, & Health Classes

Healthy eating education and knowledge grew over 45% due to Nutrition Classes in Southwest Fresno!

Neighborhood Development

2022 was a great year for ENP's Neighborhood Development department. What do we do? We serve, equip, and coach community members who call South Fresno their home. Our capacity building support has included trainings on fostering healthy leadership skills for community leaders, strategic planning, and developing resident engagement skills.

30 local community based organizations were provided with support

15 workshops & 20 peer-to-peer work sessions were facilitated to developing leadership capacity.

100 hours of community development work were provided to 11 participants

In November, German Quiñonez, director of Neighborhood Development, was invited to speak at the White House!

ENP hired a coordinator to create Fresno's first Community Land Use Academy (CLUA). Fresno CLUA aims to expand access and facilitate more inclusive engagement in Fresno's land use and urban planning processes so that land development decisions benefit all Fresnoans, especially those local residents who live in neighborhoods where land use decisions have caused environmental injustices. Keep an eye out as we launch this project in 2023!

The neighborhood development team has been a great help for our organization by shaping how we look at neighborhood issues as a strength based approach rather than from a deficit lens. They also have been very supportive by providing quality trainings and personalized coaching.

Organizational Hub leader

I really look forward to coming on Thursdays. I don't feel as anxious being cooped up at home. I enjoy coming to "hang, learn and stretch".

Neighborhood Development cont.

What is Parent Coffee Hour?

Parent Coffee Hour is a space for parents and community members to gather and build relationships with the school principal, staff and other parents. In the process of building trust, parents are learning to build healthy patterns, developing leadership, and becoming active in their neighborhoods.

2 Parent Coffee Hours launched at Olmos and Columbia elementary

What is Vision 22?

Pastor's Network

We believe that the local church has to play a role in the process and in the work. With that in mind, ENP has adopted Vision 22. We desire to provide for those that are leading the work of the church within our city by providing Pastoral Support, Organizational and Administrative support and resources for Place Based engagement.

35 leaders were trained from across the nation in faith-centered financial education for people in vulnerable communities.

40 individuals completed a 6-week racial reconciliation course called Living UNBROKEN at Northpointe Church.

The Drive Tour continues to be used

Look out for ENP releasing a new one in the coming year! If we can help you learn more about Fresno and get involved let us know.

03

Look Forward

The background features abstract geometric shapes in shades of blue and yellow. On the right side, there is a large, dark blue diagonal band. To its left, a light blue circle is partially visible. Below the band, a medium blue circle is partially visible. In the top right, a yellow quarter-circle is present. In the bottom right, a yellow cross-like shape made of four quarter-circles is visible. A small dark blue circle is located near the top center.

WHY?

The Problem

Historic Disinvestment + Limited Voices

*“Fresno ranks **59th out of 59** for economic
and racial disparity.”*

- Urban Institute Study

38%

of children ages 0-17
live in poverty

26%

of children ages 0-17
are food insecure

24%

of Fresno mothers
have no HS degree

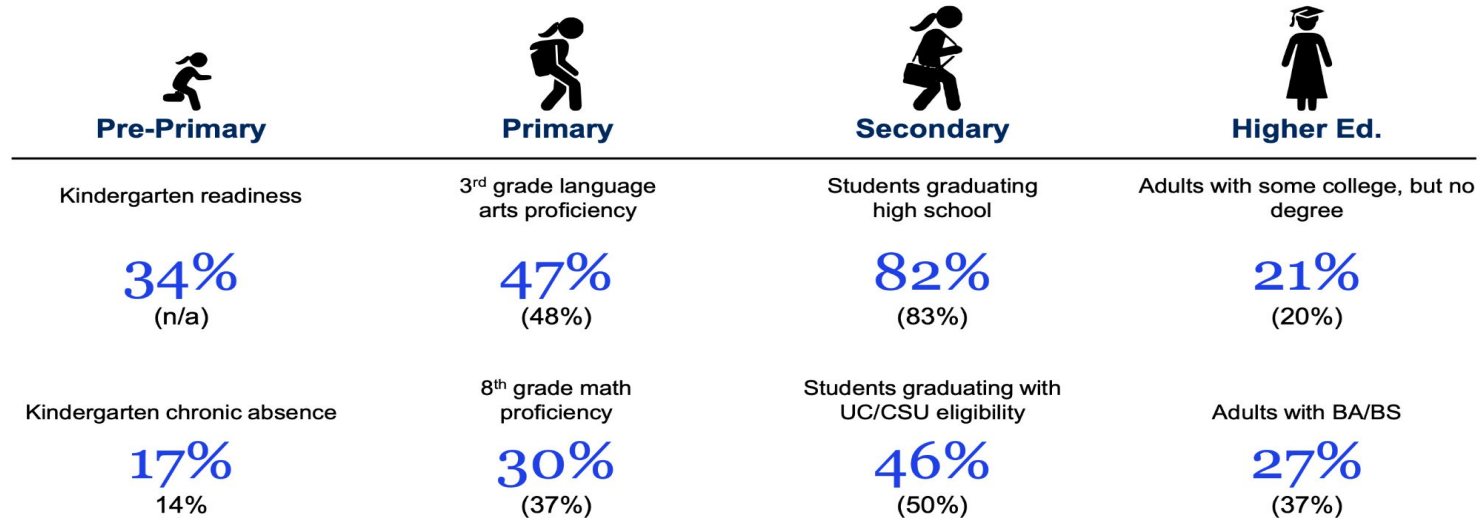

Every Neighborhood Partnership is a collection of hopeful people who don't accept shortcuts or superficial relationships. Instead, we're committed to the long-term transformation of Fresno through elevating community voices. The injustices of the past and present demand that we invest in our communities now because the future of Fresno depends on it. Therefore, we are intent on building a thriving community that will transform Fresno and raise up another generation of leaders.

The Literacy Gap

“Decades of underinvestment in schools, culture battles over bilingual education, and stark income inequality have made California the least literate state in the nation”

- Capitol Weekly
