Fall in Love with Fresno 2024

Partnership

EVENT SPONSOR PACKET

# Letter from THE EXECUTIVE DIRECTOR

---

Now more than ever, Every Neighborhood Partnership is so grateful for the amazing connections and partnerships we have cultivated over the last 15 years. If we've learned anything, we've learned there is not one organization or person in the city of Fresno who will make change - it will take ALL of us. Our skills, relationships, connections, dreams, and actions are truly only better, if we are all together.

On a macro level, we know it will take all of the amazing people and organizations in the city, but inside our own organization, we know that it looks like we do A LOT and in order to do all that we do, we cannot afford to compete for reputation or power - we also are Better Together.

This year, we want to take a special opportunity to celebrate the amazing people and organizations we have worked with this past year in order to see amazing collaborative transformation take place for our kids, schools, and neighborhoods.

When you sponsor, you will have the opportunity to partner with us in presenting these well deserved awards. We hope we get the opportunity to celebrate with one another the amazing work Every Neighborhood Partnership has accomplished and raise some money so that the work continues.

IN FRESNO AS IT IS IN HEAVEN,

ANDREW FEIL, EXECUTIVE DIRECTOR OF EVERY NEIGHBORHOOD PARTNERSHIP
